Question bank & Question Import Step - 1

1. Select Administration > Product Administration > Question Banks. And click 'Import' button.

The screenshot displays the S+ application interface for managing Question Banks. The left sidebar contains a navigation menu with the following sections:

- ADMINISTRATION (Domain: Global)
- COMMON OBJECTS
- PRODUCT ADMINISTRATION
 - Learning
 - Administrator Dashboard
 - Audiences
 - Evaluations
 - Learning Activities
 - Manage Library
 - Question Banks** (highlighted with a red box)
 - Archiving
- SETUP

The main content area is titled "Question Banks" and shows a list of banks. The "Import" button in the top right corner is highlighted with a red box. Below the table, the details for the selected "W1 Pariksha" bank are displayed.
